In “Share to Seek: The Effects of Disease Complexity on Health Information–Seeking Behavior” (*J Med Internet Res* 2021;23(3):e21642), the authors noted two errors.

In the originally published article, affiliations of the first author, Ashwag Alasmari, appeared in the following order:

*Ashwag Alasmari<sup>1,2</sup>*

<sup>1</sup>*University of Maryland, Baltimore County,  
Baltimore, MD, United States*

<sup>2</sup>*King Khalid University, Abha, Saudi Arabia*

Moreover, the original Affiliation 2 inadvertently did not specify any department.

In the corrected version, affiliations appear in the following order, and the reordered Affiliation 1 specifies the author's affiliated department:

*Ashwag Alasmari<sup>1,2</sup>*

<sup>1</sup>*Computer Science Department, King Khalid  
University, Abha, Saudi Arabia*

<sup>2</sup>*University of Maryland, Baltimore County,  
Baltimore, MD, United States*

The correction will appear in the online version of the paper on the JMIR Publications website on September 30, 2022, together with the publication of this correction notice. Because this was made after submission to PubMed, PubMed Central, and other full-text repositories, the corrected article has also been resubmitted to those repositories.
