(*J Med Internet Res* 2023;25:e51951) doi: [10.2196/51951](https://doi.org/10.2196/51951)

In “Deep Learning With Chest Radiographs for Making Prognoses in Patients With COVID-19: Retrospective Cohort Study” (*J Med Internet Res* 2023;25:e42717) the authors made one amendment. The affiliation for co-author Soo-Youn Ham was listed as:

Department of Radiology, Kangbuk Samsung Hospital, Seoul, Korea, Republic of

And will be changed to read as follows:

Department of Radiology, Kangbuk Samsung Hospital, Sungkyunkwan University School of Medicine, Seoul, Korea, Republic of

The correction will appear in the online version of the paper on the JMIR Publications website on August 23, 2023 together with the publication of this correction notice. Because this was made after submission to PubMed, PubMed Central, and other full-text repositories, the corrected article has also been resubmitted to those repositories.

This is a non-peer-reviewed article. Submitted 17.08.23; accepted 17.08.23; published 23.08.23.
