Correction of: <https://www.jmir.org/2023/1/e49100>

(*J Med Internet Res* 2024;26:e56368) doi: [10.2196/56368](https://doi.org/10.2196/56368)

In “Correlation Between Remote Symptom Reporting by Caregivers and Adverse Clinical Outcomes: Mixed Methods Study” (*J Med Internet Res*. 2023 Nov 21;25:e49100) the authors Sara Aghaee, Ai Kubo, and Raymond Liu were listed with the incorrect affiliations. The author Raymond Liu was also missing an affiliation.

In the original manuscript, the affiliations for the authors appeared as follows:

*Sara Aghaee: Department of Hematology Oncology, The Kaiser Permanente Medical Group, San Francisco, CA, United States*

*Ai Kubo: Department of Hematology Oncology, The Kaiser Permanente Medical Group, San Francisco, CA, United States*

*Raymond Liu: Department of Hematology Oncology, The Kaiser Permanente Medical Group, San Francisco, CA, United States*

This has been corrected to:

*Sara Aghaee: Division of Research, Kaiser Permanente Northern California, Oakland, CA, USA*

*Ai Kubo: Division of Research, Kaiser Permanente Northern California, Oakland, CA, USA*

*Raymond Liu: Department of Hematology Oncology, Kaiser Permanente Northern California, San Francisco, CA, United States*

Additionally, the following affiliation has been included for the author Raymond Liu:

*Division of Research, Kaiser Permanente Northern California, Oakland, CA, United States*

The correction will appear in the online version of the paper on the JMIR Publications website on January 30, 2024, together with the publication of this correction notice. Because this was made after submission to PubMed, PubMed Central, and other full-text repositories, the corrected article has also been resubmitted to those repositories.
