Correction of: <https://www.jmir.org/2024/1/e52738>

(*J Med Internet Res* 2024;26:e68783) doi: [10.2196/68783](https://doi.org/10.2196/68783)

In “Effects of Message Framing on Human Papillomavirus Vaccination: Systematic Review” (*J Med Internet Res* 2024;26:e52738) one error was noted.

In the Methods section of the text, the PROSPERO registration number was revised. Therefore, the following sentence:

The study protocol was registered in PROSPERO (number CRD42063451612).

Has been revised to:

The study protocol was registered in PROSPERO (number CRD42023451612).

The correction will appear in the online version of the paper on the JMIR Publications website on November 15, 2024, together with the publication of this correction notice. Because this was made after submission to PubMed, PubMed Central, and other full-text repositories, the corrected article has also been resubmitted to those repositories.

This is a non-peer-reviewed article. Submitted 13.11.24; accepted 13.11.24; published 15.11.24.
